Work Experience

Ecommerce CRM Executive — **Dubai, UAE**

Nazih General Trading Co. LLC. — March 2025 – Present

- Lead E-commerce CRM & Retention Strategy across 6 GCC markets (UAE, KSA, Oman, Bahrain, Kuwait, Qatar) for Nazih Cosmetics, owning the end-to-end customer lifecycle across onboarding, retention, loyalty, win-back and cart recovery.
- Lifted repeat purchase rate by 40% and grew CRM-attributed revenue by 30% across 5 GCC storefronts by consolidating 56 underperforming journeys into 17 CleverTap journeys, incl. a Welcome journey fix that lifted its conversion 12x.
- Build and optimize automated journeys, behavioral triggers (back-in-stock, price-drop) and audience segmentation across email, SMS, push and in-app for beauty brands including GHD, Babyliss Pro and Revlon.
- Wrote a 32-event GA4/GTM tracking spec for 6 markets with server-side routing to GA4, Google Ads, Meta and TikTok CAPI.
- Built an out-of-stock lost-revenue model across own site, Amazon and Noon; campaigns now check live stock before sending.
- Supported the launch of 4 new GCC storefronts (2 to 6 markets) via launch planning, media plans and competitor analysis.

Growth Marketing Associate — **Bangalore, India**

Next Big Innovation Labs — August 2023 – February 2025

- Contributed to 3x revenue growth in one year through lifecycle marketing, CRM nurture programs and campaign operations.
- Grew organic lead generation by 80% through SEO, content marketing, website optimization and email newsletter programs, including growing the company's Substack newsletter from 0 to 10,000 subscribers.
- Built the WordPress website and a Shopify store for consumables, with HubSpot automation for lead capture and follow-up.
- Managed campaign execution across Google Ads, Meta Ads and LinkedIn Ads, coordinating with sales and cross-functional teams to improve lead flow and tracking accuracy.

Growth Marketer — **Bangalore, India**

CustomerGlu (Marax Technologies) — May 2021 – May 2023

- Won the company's first 10 clients through cold outreach, prospecting with LinkedIn Sales Navigator and Apollo.io.
- Executed multi-channel B2B SaaS acquisition and nurture campaigns, including 100+ use-case landing pages, contributing to 35% growth in new customer acquisition.
- Automated HubSpot workflows for lead capture, nurturing, scoring, lifecycle progression and follow-up sequences, improving lead qualification and sales handoff.
- Supported a Product Hunt launch and related demand-generation campaigns that generated 1,000+ inbound leads, 100+ trials and 10+ new customers, while strengthening CRM reporting and funnel visibility.
